

saxophone Fingering Chart

The chart displays fingering diagrams for saxophone notes across four rows. Each note is represented by a musical staff with a treble clef and a note head. Below the staff is a vertical sequence of circles representing finger positions: 1 (index), 2 (middle), 3 (ring), 4 (pinky), and 5 (thumb). Solid black circles indicate fingers to be pressed, while open circles indicate fingers to be lifted. Some notes include alternative fingerings marked with 'or' and small squares representing the left hand pearl keys. An asterisk (*) is used to denote a specific fingering for notes F, G, and B.
